VINOD GUPTA SCHOOL OF MANAGEMENT
Indian Institute of Technology Kharagpur

Contents

A Business School on its way up

Vinod Gupta School of Management synergizes the latest management education while leveraging the technical competence of IIT Kharagpur. The founders of IIT Kharagpur felt the need to utilize competencies and resources possessed by the institute to impart the superior quality of management education. Vinod Gupta School of Management has contributed significantly towards management education in India over the last two decades. The School offers full-time MBA as well as a special EMBA program for working executives. Apart from these, Vinod Gupta School of Management runs one of the largest doctoral programs and conducts MOPs which are short duration programs for practicing managers in various functional areas.

About the School

Vinod Gupta School of Management, established in 1993, was the first school of management to be set up within the IIT system. It was initiated by a distinguished alumnus and a lifetime fellow of the Institute, Mr. Vinod Gupta.

Mission

"To develop outstanding management professionals and future CEOs, who will lead organizations especially in technology-driven and knowledge-based industries, in the service of the nation and the community."

The MBA Programme

The flagship programme of the School leads to the degree of Master of Business Administration from IIT Kharagpur. This is a full-time four-semester (2 year) residential programme for graduate engineers and Masters' degree holders in science, economics and commerce, intending to pursue management careers in India or abroad. The MBA curriculum has evolved to be among the best in the country combining the traditional strengths of IIT in technical education with modern management philosophy. Teaching techniques include a judicious mix of lectures, case-studies, group projects and workshops. A two-month summer internship in industry exposes students to practical management problems. The core of the programme includes compulsory courses in Human Resource Management, Production & Operations, Marketing, Finance, Information Systems Management, Organizational Behavior, Economics, Strategic Management, Legal Aspects of Business, Business Ethics, Quantitative Methods and Business Communication. A large number of electives from across several IIT departments are available for a student to pursue his/her individual interests in greater depth. In addition, all peripheral administrative functions in the school are managed by students in team mode to inculcate team orientation in them.

Facilities @ Campus

Students and faculty of VGSoM have access to cutting-edge infrastructure, which includes access to

- ❑ Central library with an online avatar
- ❑ 24X7 computer laboratory with most up-to-date hardware and software technology
- ❑ Real-time financial data through Bloomberg Terminals and Prowess CMIE
- ❑ Residential accommodation facility with high-speed wireless internet
- ❑ Students Gymkhana - a center for sports, cultural and social learning

MBA Admission Process

VGSoM admits students on the basis of the Common Admission Test (CAT), which is also used by the IIMs, IITs and other top B- schools in India. However, a candidate must have a first-class Bachelor's degree in Engineering/Technology or a first-class Masters' degree in Science (with Mathematics or Statistics at bachelor's level), Economics or Commerce to be admitted in VGSoM. Eligible candidates are called for writing abillity test and personal interview based on their CAT percentile, academic consistency and quality of work experience. The school selects students who have the necessary aptitude and the right attitude for a career in the management.

A typical batch has enough diversity of gender, disciplines, experience, region and language so as to contribute diverse perspectives to any discussion which is considered essential in the management learning.

Alumni Speak

"Welcome to the most diverse campus of the country where VGSoM stands as a pillar of excellence. VGSoM with its excellent alumni network and experienced faculty will not just train you as a leader but also inculcate values in you to make you a socially responsible human being. Best wishes for your life changing journey ahead."

Jatin Grover
Manufacturing Lead, Reckitt Benckiser
Batch - 2011

"Dear VGSoMites,

Let me begin by congratulating you guys for getting into one of the most coveted B schools of India. Writing this brings back a lot of memories of the year 2014, when we were on the other side of table. Wishing you guys all the luck and hope you make the best use of next 2 years to excel academically, make lifelong friends and understand the importance of working as a team.

Dream, Aspire and Achieve!"

Ishan Dogra
Britannia
Batch - 2016

"This is a very opportune time for you to reach your best potential! As you scramble your way through multiple trade-offs: which courses to take, which activities to participate in and which clubs to join; remember, you are not alone. You are now a part of the IIT fraternity and help is only a shout (or an email) away.

Here, you'll find the rarest combination of professors who are highly qualified yet very willing to help. Treasure them. You'll have multiple avenues to explore your entrepreneurial as well as managerial skills. Embrace them. You would have a peer-set handpicked from the brightest talent in the world. Inspire them.

So, don't just sit back and be lost in your dreams. Go ahead and realize them!"

Aditya Kulkarni
Marico
Batch - 2011

"VGSoM, coupled with the IIT ecosystem, empowered me to dream big and provided myriad opportunities to pursue excellence in life, from academics to sports. In today's dynamic business environment, gaining life skills is an important part of being industry ready and the institute helps inculcate these, through interactions with students and faculty from diverse backgrounds and a brilliant living experience in the sprawling IIT campus - as much learning happens in the halls as in the classrooms. The 2 years I invested in the MBA can be attributed to thorough self-development and span, undoubtedly, the best of my student life."

Saikat Pal

Batch - 2016

Clubs & Committees

VGSoM boasts of a strong student community and almost all the important activities that are essential for a management institute are student driven, here at VGSoM. VGSoM has 8 functional committees taking care of various processes like placements, admission, alumni relation etc. and 5 different focus clubs, each cultivating different facets of managerial domains.

The Committees are Listed as follows:

❑ Placement Committee- In charge of all placement related activities at VGSoM. Also responsible for publishing the annual summer and final placement report.

Saamanjasya

'When there is righteousness in the Hearts, there is Harmony in the society.'

With this altruistic belief, Saamanjasya, the CSR club of Vinod Gupta School of Management came into prominence. At Saamanjasya, we strive to create harmony and bridge the gap between the corporate and NGOs by instilling a sense of selfless devotion towards the society among the aspiring leaders of tomorrow. We dream of creating a society devoid of any strife and tribulations, and we believe that this can only be realised by inculcating social equality and spreading awareness in today's connected world.

With this notion in mind, Team Saamanjasya has set on a mission to help orphan kids at Disha Seema, an orphanage school founded by IIT Kharagpur Alumnus. Every year, the team conducts a t-shirt sales drive in August & September and the profits made are used to celebrate the Festival of Lights for the orphans there. Saamanjasya is also responsible for organising debates, paper presentations, etc. on social issues aimed at propagating the thought of giving back to the society. Apart from this, the team invites NGOs to share their existing problems. These problems are treated as individual Case Studies and are floated for the management students across B-Schools to compete in the battleground where the solution is the victory and harmony in society, the award.

Spring Fest

This is not a news anymore that IIT Kharagpur host's arguably one of the largest annual social and cultural festival in Asia, Spring Fest, popularly known as SF. The legacy has continued since 1960, an ever-growing extravaganza which hosted its 58th edition on 20th of Jan 2017 which experienced a footfall of more than 50,000 people.

Spring Fest encompasses multiple genres like Dance, Music, Dramatics, Photography, Literature, Quizzing and Fine Arts covering more than 60 events for the students to showcase their calibre. Apart from competitions, it also entertains the mass with it's Star Nights, which consists of Live concerts by celebrities of national and international fame. Famous Indian artists like Farhan Akhtar, Pritam, KK, Papon, Sunidhi Chauhan, Vishal-Shekhar, Shankar Mahadevan and classical performers such as PanditHariprasadChaurasia, L. Sriram, PanditVishwa Mohan Bhatt, and PanditDivyangVakil have performed here. Bands like Pentagram, Underground Authority, Kryptos, Parikrama, Euphoria, Indian Ocean, Strings, and Spunk have also performed.

Spring Fest is the equipoise of Craziness, Compassion and Dedication, a festival which lights up the entire 2100 acre of Kharagpur Campus, highlighting the "True spirit of Youth".

Purvodaya

The Purvodaya Core Committee is responsible for organizing and conducting the B-School Fest of VGSOM. Purvodaya- Signifying the Rise of East, is the amalgamation of 14 different events including case study competitions in various management domains such as Marketing, Consulting, and Supply Chain Management, etc. where budding managers can put their mettle to test. Inauguration ceremony marks the commencement of Purvodaya, followed by Leadership Summit organized by corporate media interaction cell, where various eminent business personalities discuss ideas and opinions on the latest business happenings to inspire young students. Reminiscence is organized to invite alumni from the silver jubilee batch to share their success stories with the students and give the alumni a chance to relive their memories. Cultural Night "IBIZA" marks the conclusion of 3 days long fest. A band performance is followed by a DJ night in which people get together to celebrate the culmination of a successful event.
