Our Recruiters

We at VGSoM, IIT Kharagpur believe in building future leaders committed to making a profound social impact

Dean's Overview

Dear Corporate Partners,

It gives me immense pleasure to introduce our vibrant and talented twenty-sixth batch of the two-year residential MBA (Masters of Business Administration), the flagship program of Vinod Gupta School of Management, IIT Kharagpur. Established in 1993 as the pioneer B-school in the IIT ecosystem, VGSoM has grown to its current renowned stature by imparting quality education in the field of management. With the determined effort, proficiency, and guidance of its highly qualified and devoted faculty members, VGSoM, IIT Kharagpur is recognized for its excellence and stands as the fifth-best management school in the country.

VGSoM has been constantly striving to emerge as a Center of Excellence in Management Education catering to the requirements of organizations in various sectors of the economy with a unique emphasis on technology-driven and information-based industries that are designated by high degrees of globalization, dynamism, complexity, and development. Widely acclaimed for its technological excellence, IIT Kharagpur enables VGSoM to leverage its quality in terms of infrastructure, scholarly assets, and its "will to be the best" Business Management School in India.

Our MBA program is tailor-made to cater to the evolving industry demands wherein students can specialize in fields such as Analytics, Operations, Sales & Marketing, Finance, Human Resources, Strategy & General Management. Our students gain the opportunity to prepare

themselves for management careers through a blend of coursework, internships, live-projects, and addresses by eminent business leaders. On accomplishing their MBA course of study, the students become part of an esteemed network of profoundly dedicated alumni community.

VGSoM, IIT Kharagpur has always been assured to construct a solid foundation with the vision of becoming one of the top B-schools globally in the years ahead. Throughout the years, the placement record of the students of the school remains excellent. With growing illustrious alumni, a strong relationship exists among several industries, multinational companies, and the School. The solid foundation as created would enable the School to reach more prominent statures of accomplishment in the coming years.

This brochure will assist you to learn more about our flagship MBA program. Kindly consider this as an invitation to interact with our talented and innovative student community. I am confident that given the opportunity, our students will work to the best of their abilities to bring success and add value to your organization and we look forward to establishing a mutually beneficial and lasting relationship with your organization.

Prof. Pradip Kumar Ray
Dean, VGSoM, IIT Kharagpur

We are ever receptive to innovative ideas to build upon and implement them in an exemplary manner

Placement Chairperson's Message

Dear Recruiters,

It is a moment of pride for us to introduce you to a batch of vibrant, energetic, dynamic, and talented student managers who are geared up to join the corporate world. The batch has been extensively trained and nurtured with the fundamental aptitude and skills needed to be an effective leader. VGSoM, IIT Kharagpur has strived to develop as a center of excellence in management education and research catering to the needs of organizations in different sectors of the economy with special emphasis on technology-driven and knowledge-based industries that are characterized by high degrees of globalization, dynamism, complexity, and innovation. The faculties of VGSoM, IIT Kharagpur have been shaping the managerial thought process in their sphere of influence for more than 2 decades.

It is our endeavor to the path of excellence to keep ourselves abreast of growing challenges and opportunities in the world of business. We are ever receptive to innovative ideas to build upon and implement them in an exemplary manner. We at VGSoM, IIT Kharagpur believe in building future leaders committed to making a profound social impact. Our academic program along with industry interactions has produced industry-ready professionals which is best reflected in the past Summer and Final placement records.

Our students with their scholastic brilliance combined with professional exposure and grounded values would propel organizations and economies into a better future. We stay focused on developing a framework that balances the three stakeholders of the ecosystem – the students, the recruiters, and the institute.

We would like to take this opportunity to thank all the esteemed organizations that have maintained corporate associations with VGSoM, IIT Kharagpur since its inception. We truly value the long-standing affiliation that has nurtured over the years and the confidence you have reposed in our students. We would also like to welcome the new recruiters to embark upon a novel association with VGSoM, IIT Kharagpur. We extend our commitment to engage in a mutually beneficial relationship with your revered organization. You are a part of our journey towards excellence, and your contribution is indeed very helpful in making us feel proud of our Institute's achievements.

Prof. Biswarup Ghosh

Placement Chairperson, VGSoM, IIT Kharagpur

About VGSoM

Mission:

To develop outstanding management professionals and future CEOs, who will lead organizations especially in technology-driven and knowledge-based industries, in the service of the nation and community.

Vision:

Our vision is to develop as a centre of excellence in management education and research catering to the needs of organizations in different sectors of the economy with special emphasis on technology-driven and knowledge-based industries that are characterized by high degrees of globalization, dynamism, complexity and innovation.

Vivacity of VGSoM:

With 27 glorious years of managerial excellence, the Vinod Gupta School of Management has a reputation of having one of the best cultures of pedagogy in the country. VGSoM seamlessly combines managerial expertise with technical know-how to produce a holistic B-School education infused with engaging corporate interactions and in line with the dynamic industry paradigm. A testament to this is the fact that VGSoM has been consistently ranked as one of the best Business Schools in India. We are currently ranked 5th amongst all the B-Schools in the country by NIRF, Ministry of Human Resource Development, Govt of India.

Despite the onset of the pandemic and the resultant lockdowns, VGSoM with its technological capabilities swiftly switched to a virtual mode of education. With tech-enabled interactive classrooms, online leadership talks, case studies, group assignments and projects, VGSoM ensured no compromise on peer-to-peer learning and the overall MBA experience.

This school proffers its student fraternity a multifarious array of opportunities to showcase their talents to the world. Our students have time and again proved themselves to be the best in the industry competitions such as Flipkart WiRED, HUL Lime, L'Oréal Sustainability Challenge to name a few. Our students have proved their mettle amongst the nation's brightest minds in inter-collegiate competitions of national and international significance such as Stocktrak- Singapore Management University, FINITIATOR by ISB Hyderabad, SAMAHVA by IIFT Delhi & PARIVARTAN by IIM Lucknow and others.

About MBA

The two-year Master of Business Administration programme at Vinod Gupta School of Management, IIT Kharagpur aims to inculcate in the students, managerial thought synergised with modern and industry-oriented technical skill set. The programme is curated for graduate engineers and Master's degree holders in science, economics and commerce. As the landscape of education has changed in an unimaginable way after the pandemic, the programme evolved itself to incorporate virtual learning and continuous evaluation, while retaining all the key aspects of the offline course – case studies, group assignments, live projects and interactions with industry experts. The faculty team for the MBA programme consists of subject-matter experts with substantial and hands-on real-world business experience. The addition of “Learning Business Outside Classroom” as a mandatory course saw students work in close collaborations with entrepreneurs and small-scale enterprises, and helped them gain deep insights into the challenges and dynamics of operating a business.

The programme's learning is augmented by a mandatory two-month summer internship project, wherein students get the opportunity to work and contribute in real-life business scenarios that occur in the corporate world. The core subjects under this programme include Human Resource Management, Production and Operations, Marketing, Finance, Information System Management, Organisational Behaviour, Economics, Strategic Management, Legal Aspects of Business, Business Ethics, Quantitative Techniques and Business Communication. Students also have the option to choose various electives apart from the core courses. These electives include AI & Business Law, Intellectual Property Management, Change Management, Algorithm Design and Machine Learning, Conflict Resolution and Management and International Commercial Arbitration and many more. These electives are available to the students through various departments of IIT and they encourage students to pursue his/her individual interests in greater depth. To build leadership and administrative skills, all peripheral administrative functions in the programme are delegated to appropriate student teams.

MBA

Admission Process

VGSoM receives thousands of applications each year from students within India, as well as outside by virtue of its culture of pedagogy. While International students apply through GMAT, admission to VGSoM for Indian students is based on Common Admission Test (CAT)- one of the toughest management exams in terms of success ratio. A candidate must have a first-class Bachelor's degree in Engineering/Technology or a first-class Master's degree in Science (with Mathematics or Statistics at Bachelor's

level), Economics or Commerce to be considered for their admission in VGSoM. Various factors such as CAT percentile, academic consistency and work experience are considered to select candidates for a Written Ability Test (WAT) and Personal Interview at multiple locations across the country. The Written Ability Test and Personal Interview aims to identify and select students who have the necessary aptitude and the right attitude ready to be groomed for a career in management.

Facilities @ VGSOM

VGSOM, IIT Kharagpur offers a plethora of facilities and cutting-edge infrastructure to its students and faculty.

Facilities

A Central Library which also provides a huge database of books and research papers.

 Lead Generation & Digital Marketing road map

Tanuj Singh

Graduation College : Deenbandhu Chhotu Ram University Of Science and Technology
Graduation University : Deenbandhu Chhotu Ram University of Science and Technology
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B.Tech.
Graduation Year : 2017

Total Work Experience (In Months) : 22

- Tata Consultancy Services Limited - Assistant Systems Engineer (22 Months)

Summer Internship Organization : Smart Cities Mission, Ministry of Housing and Urban Affairs
Summer Internship Project Title :
 AMPLIFI Dashboard Data Transformation, Validation and Data Points Analysis

Aklank Jain

Graduation College : National Institute of Technology, Silchar
Graduation University : National Institute of Technology, Silchar
Graduation Branch : Computer Science and Engineering
Graduation Degree : B.Tech.
Graduation Year : 2017

Total Work Experience (In Months) : 23

- Envestnet Yodlee - Senior Software Engineer (23 Months)

Summer Internship Organization : Godrej Housing Finance
Summer Internship Project Title :
 Pure Digital loan sanction journey for the customer

Karthik Dasari

Graduation College : National Institute of Technology, Durgapur
Graduation University : National Institute of Technology, Durgapur
Graduation Branch : Chemical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2017

Total Work Experience (In Months) : 23

- ONGC Petro Additions Limited, Dahej - Executive Engineer (23 Months)

Summer Internship Organization : Ashuank Asmay Pvt. Ltd.
Summer Internship Project Title :
 Go to Market strategy for Asmay's AI Powered Personality Development Program

Aaratrika Brahmachari

Graduation College : Jadavpur University
Graduation University : Jadavpur University
Graduation Branch : Food Technology and Biochemical Engineering
Graduation Degree : B.E.
Graduation Year : 2017

Total Work Experience (In Months) : 23

- Hindustan Coca-Cola Beverages Pvt. Ltd. - Team Leader-Quality Assurance (23 Months)

Summer Internship Organization : Titan Company Limited
Summer Internship Project Title :
 Inventory Management across "Movement" Value chain

Medha Seghal

Graduation College : UICET, Chandigarh
Graduation University : Panjab University
Graduation Branch : Chemical Engineering
Graduation Degree : B.E.
Graduation Year : 2017

Total Work Experience (In Months) : 23

- Reliance Industries Limited - Manager (23 Months)

Summer Internship Organization : Halma PLC
Summer Internship Project Title :
 Understanding the impact of COVID-19 on specific industries that would be of interest to Halma India and assist in realigning its business priorities

Sankalp Srivastava

Graduation College : Harcourt Butler Technical University
Graduation University : APJ Abdul Kalam Technical University
Graduation Branch : Paint Technology
Graduation Degree : B.Tech.
Graduation Year : 2017

Total Work Experience (In Months) : 23
• Tata Motors - Senior Manager (23 Months)
Summer Internship Organization : Amazon
Summer Internship Project Title :
Efficacy of Always-On Display Campaigns

Aayush Srivastava

Graduation College : Vellore Institute of Technology, Chennai
Graduation University : Vellore Institute of Technology
Graduation Branch : Electrical and Electronics Engineering
Graduation Degree : B.Tech.
Graduation Year : 2017

Total Work Experience (In Months) : 23
• Wipro Digital - Project Engineer (23 months)
Summer Internship Organization : Wipro
Summer Internship Project Title :
Understanding Transition and applying different levers to create fit for purpose Transition Solution

Shah Deep Hiteshkumar

Graduation College : L.D. College of Engineering
Graduation University : Gujarat Technological University
Graduation Branch : Mechanical Engineering
Graduation Degree : B.E.
Graduation Year : 2017

Total Work Experience (In Months) : 23
• Larsen & Toubro Limited - Senior Engineer (23 Months)
Summer Internship Organization : Titan Company Limited
Summer Internship Project Title :
Manufacturing Lead time Reduction for Regular Products

Aditya Yadav

Graduation College : National Institute of Food Technology Entrepreneurship and Management
Graduation University : National Institute of Food Technology Entrepreneurship and Management
Graduation Branch : Food Technology and Management
Graduation Degree : B. Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 23
• Dharampal Satyapal Limited - Senior Executive (23 Months)
Summer Internship Organization : Smart Cities Mission, Ministry of Housing and Urban Affairs
Summer Internship Project Title :
Project on supporting and enhancing stakeholder participation

Harshit Kumar Singh

Graduation College : JSS Academy of Technical Education
Graduation University : Dr. A.P.J. Abdul Kalam Technical University, UP
Graduation Branch : Computer Science and Engineering
Graduation Degree : B.Tech.
Graduation Year : 2017

Total Work Experience (In Months) : 23
• Tata Consultancy Services Limited - Assistant Systems Engineer (23 Months)
Summer Internship Organization : Fynd
Summer Internship Project Title :
Project and Account management for OpenAPI

Sameer Alam Mandal

Graduation College : University Institute of Technology
Graduation University : Rajiv Gandhi Proudyogiki Vishwavidyalaya, Bhopal
Graduation Branch : Mechanical Engineering
Graduation Degree : B.E.
Graduation Year : 2016

Total Work Experience (In Months) : 23
• Trident Limited - Sourcing Officer (23 Months)
Summer Internship Organization : RoundGlass Wellbeing Pvt. Ltd.
Summer Internship Project Title :
GTM Strategy of Product Launch in UAE

A. Akhil

Graduation College : University College Of Engineering
Graduation University : University of Kerala
Graduation Branch : Computer Science and Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 23

- US Technology International Pvt. Ltd. - Software Engineer ILP (5 Months)
- Ultimate Business Solutions Pvt. Ltd. - Business Development Manager (18 Months)

Summer Internship Organization : Amazon
Summer Internship Project Title : Advertiser Profiling for Other hardline advertisers

Anuj Parmar

Graduation College : Indian Institute of Technology, Hyderabad
Graduation University : Indian Institute of Technology, Hyderabad
Graduation Branch : Electrical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2015

Total Work Experience (In Months) : 24

- Tekzenit India Pvt. Ltd. - Associate Software Engineer (24 Months)

Summer Internship Organization : GoCrackIt
Summer Internship Project Title : Market study and analysis of Career Mentoring Industry

Sourav Kumar

Graduation College : National Institute of Technology, Raipur
Graduation University : National Institute of Technology, Raipur
Graduation Branch : Mining Engineering
Graduation Degree : B.Tech.
Graduation Year : 2017

Total Work Experience (In Months) : 24

- Adani Enterprises Limited - Senior Engineer (24 Months)

Summer Internship Organization : TATA Steel
Summer Internship Project Title : Market demand mapping of hot rolled coil and plate usage in India's defence sector

Rajat Kanti Paul

Graduation College : National Institute of Technology, Silchar
Graduation University : National Institute of Technology, Silchar
Graduation Branch : Civil Engineering
Graduation Degree : B.Tech.
Graduation Year : 2017

Total Work Experience (In Months) : 24

- Accenture - Application Development Analyst (24 Months)

Summer Internship Organization : Housewise
Summer Internship Project Title : Strategic Planning and Marketing of Property Rental Services for Indian Customers

Prashi Upreti

Graduation College : College of Technology, Pantnagar
Graduation University : Govind Ballabh Pant University of Agriculture & Technology, Pantnagar
Graduation Branch : Mechanical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2017

Total Work Experience (In Months) : 24

- Escorts Agri Machinery, Faridabad - Assistant Manager (24 Months)

Summer Internship Organization : Titan Company Limited
Summer Internship Project Title : E-commerce Product Strategy and Business Plan

Aditya Garg

Graduation College : R.V. College of Engineering
Graduation University : Visvesvaraya Technological University
Graduation Branch : Civil Engineering
Graduation Degree : B.E.
Graduation Year : 2017

Total Work Experience (In Months) : 24

- Mahima Real Estate Pvt. Ltd. - Junior Engineer - Project (24 Months)

Summer Internship Organization : EndGate Global
Summer Internship Project Title : Advisory project on transit packaging industry

Student Profile 2019-21

Vignesh V

Graduation College : Thiagarajar College of Engineering
Graduation University : Anna University
Graduation Branch : Mechanical Engineering
Graduation Degree : B.E.
Graduation Year : 2017

Total Work Experience (In Months) : 24

- Worldwide Logistics Centre for Excellence - Trainee Engineer (5 Months)
- Temenos India Pvt. Ltd. - Software Engineer (19 Months)

Summer Internship Organization : EPIKInDiFi

Summer Internship Project Title :

Development of Customer Segmentation & Champion Challenger Strategy using Machine Learning Models

Nishit Goel

Graduation College : SRM Institute of Science and Technology, Kattankulathur
Graduation University : SRM University
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B.Tech.
Graduation Year : 2017

Total Work Experience (In Months) : 24

- Tata Consultancy Services Limited - Systems Engineer (24 Months)

Summer Internship Organization : FireCompass

Summer Internship Project Title :

Market Research and Development for FireCompass and its Community

Devanshi Ahuja

Graduation College : Lakshmi Narain College of Technology, Bhopal
Graduation University : Rajiv Gandhi Proudyogiki Vishwavidyalaya, Bhopal
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B.E.
Graduation Year : 2017

Total Work Experience (In Months) : 24

- Infosys - Test Engineer (24 Months)

Summer Internship Organization : Titan Company Limited

Summer Internship Project Title :

Exploring Opportunities of Sale/Business Expansion from Encircle Data for Watch Retail in North Zone

Harshit Patel

Graduation College : Dhirubhai Ambani Institute of Information and Communication Technology
Graduation University : Dhirubhai Ambani Institute of Information and Communication Technology
Graduation Branch : Information and Communication Technology
Graduation Degree : B.Tech.
Graduation Year : 2017

Total Work Experience (In Months) : 24

- Oracle India Pvt. Ltd. - Application Engineer (24 Months)

Summer Internship Organization : Amazon

Summer Internship Project Title :

Business Continuity Plan Assessment

Rakshith R Kashyap

Graduation College : BMS College of Engineering, Bangalore
Graduation University : Visvesvaraya Technological University
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B.E.
Graduation Year : 2017

Total Work Experience (In Months) : 24

- Schneider Electric - Production Engineer (24 Months)

Summer Internship Organization : Halma PLC

Summer Internship Project Title :

Impact of Covid 19 on Talent

Anirban Ghosh

Graduation College : Maulan Abul Kalam Azad University of Technology
Graduation University : West Bengal University of Technology
Graduation Branch : Mechanical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2017

Total Work Experience (In Months) : 24

- Tata Consultancy Services Limited - Assistant Systems Engineer (24 Months)

Summer Internship Organization : IF Solutions

Summer Internship Project Title :

Development of an online marketplace for Indian artifacts

Omkar Manmohan Hawaldar

Graduation College : Ramrao Adik Institute of Technology
Graduation University : University of Mumbai
Graduation Branch : Computer Engineering
Graduation Degree : B.E.
Graduation Year : 2016

Total Work Experience (In Months) : 24
 • Tata Consultancy Services Limited - Systems Engineer (24 Months)
Summer Internship Organization : Tiger Analytics
Summer Internship Project Title : Retention and Survival Analysis for Education Sector (Online University)

Surbhi Mehra

Graduation College : Jawaharlal Nehru Government Engineering College, Sundernagar
Graduation University : Himachal Pradesh Technical University
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 24
 • Wipro Limited - Project Engineer / Business Analyst (24 Months)
Summer Internship Organization : HSBC
Summer Internship Project Title : Assessing Integrated end-to-end Foreign Exchange trade and payments solutions

Krunal Balkrishna Malve

Graduation College : K.K. Wagh College of Engineering, Nashik
Graduation University : Savitribai Phule Pune University
Graduation Branch : Mechanical Engineering
Graduation Degree : B.E.
Graduation Year : 2016

Total Work Experience (In Months) : 24
 • Rishabh Instruments Pvt. Ltd., Nashik - Executive (R&D) (24 Months)
Summer Internship Organization : Fynd
Summer Internship Project Title : Benchmarking operational efficiency of Uniket as compared to relevant companies and coming up with suggestions for improvement

Mridul Swaroop

Graduation College : National Institute of Technology, Sikkim
Graduation University : National Institute of Technology, Sikkim
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B.Tech.
Graduation Year : 2015

Total Work Experience (In Months) : 24
 • Tech Mahindra - Associate Software Engineer (12 Months)
 • PES Engineers Pvt. Ltd. - Senior Engineer (12 Months)
Summer Internship Organization : FireCompass
Summer Internship Project Title : Market research and development for FireCompass and its community

Alishmita Sharma

Graduation College : Jorhat Institute of Science and Technology
Graduation University : Dibrugarh University
Graduation Branch : Electronics and Telecommunication Engineering
Graduation Degree : B.E.
Graduation Year : 2016

Total Work Experience (In Months) : 25
 • Wipro Technologies - SAP ABAP Consultant (25 Months)
Summer Internship Organization : Tiger Analytics
Summer Internship Project Title : Retention and Predictive Analysis of an Online University

Amol Grover

Graduation College : Manipal Institute of Technology
Graduation University : Manipal University
Graduation Branch : Mechanical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 25
 • Quest Global Pvt. Ltd - Engineer (21 Months)
 • FICCI - Executive (4 Months)
Summer Internship Organization : TATA Steel
Summer Internship Project Title : Marketing Strategy for FRP Pressure Vessels and Tanks in Domestic Market

Kamakshi Garg

Graduation College : Maharaja Agrasen Institute of Technology
Graduation University : Guru Gobind Singh Indraprastha University
Graduation Branch : Computer Science and Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 25
 • Accenture - Application Development Analyst (25 Months)
Summer Internship Organization : EPIKInDiFi
Summer Internship Project Title :
 Implemented Lean improvements throughout Release Management

Spandan Kumar Nanda

Graduation College : Veer Surendra Sai University of Technology, Odisha
Graduation University : Veer Surendra Sai University of Technology, Odisha
Graduation Branch : Electrical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2015

Total Work Experience (In Months) : 26
 • Maruti Suzuki India Limited - Assistant Manager (26 Months)
Summer Internship Organization : AdvaRisk (Slo Technologies Pvt. Ltd.)
Summer Internship Project Title :
 AdvaSmart product enhancement and development

Satyam

Graduation College : Haldia Institute of Technology
Graduation University : Maulana Abul Kalam Azad University of Technology, West Bengal
Graduation Branch : Electrical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 26
 • Tech Mahindra - Associate Software Engineer (26 Months)
Summer Internship Organization : Ford Motor Company
Summer Internship Project Title :
 Energy Contract Optimization

Supriya Mondal

Graduation College : Jalpaiguri Government Engineering College
Graduation University : Maulana Abul Kalam Azad University of Technology, West Bengal
Graduation Branch : Computer Science and Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 26
 • Tata Consultancy Services Limited - Systems Engineer (26 Months)
Summer Internship Organization : Alobasics
Summer Internship Project Title :
 Market Research and Strategy for Learning Industry

Manoj V

Graduation College : R.M.K. Engineering College, Chennai
Graduation University : Anna University
Graduation Branch : Mechanical Engineering
Graduation Degree : B.E.
Graduation Year : 2015

Total Work Experience (In Months) : 27
 • Lucas TVS, Chennai - Graduate Engineer Apprentice (12 Months)
 • BIKE 1 - Operations Executive (15 Months)
Summer Internship Organization : Becton Dickinson
Summer Internship Project Title :
 Diabetic Care Intelligence System: Creating Dashboards to measure Sales Performance using Power BI

Shubham Sharma

Graduation College : Hindustan College of Science and Technology, Mathura
Graduation University : Dr. A.P.J. Abdul Kalam Technical University, UP
Graduation Branch : Mechanical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 28
 • HSIL Limited - Engineer (28 Months)
Summer Internship Organization : Smart Cities Mission, Ministry of Housing and Urban Affairs
Summer Internship Project Title :
 Smart Cities Mission

Abhishek Kumar Verma

Graduation College : Juggilal Kamalpath Institute of Applied Physics and Technology
Graduation University : University of Allahabad
Graduation Branch : Computer Science and Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 28

- Tata Consultancy Services Limited - Assistant Systems Engineer (28 Months)

Summer Internship Organization : Tiger Analytics
Summer Internship Project Title : Recommendations for Improving Second Year Retention in Master's program

Lohit R B

Graduation College : B.V.B. College of Engineering and Technology
Graduation University : Visvesvaraya Technological University
Graduation Branch : Mechanical Engineering
Graduation Degree : B.E.
Graduation Year : 2016

Total Work Experience (In Months) : 29

- Tractors and Farm Equipment Limited (TAFE) - Engineer (Production) (20 Months)
- Zatine Cosmocon Pvt. Ltd. - Operations Executive (9 Months)

Summer Internship Organization : Schindler India Pvt. Ltd.
Summer Internship Project Title : A comparative analysis of different players of Elevator & Escalator industry and detailed market potential

Arunit Chatterjee

Graduation College : Heritage Institute of Technology, Kolkata
Graduation University : Maulana Abul Kalam Azad University of Technology, West Bengal
Graduation Branch : Civil Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 29

- Tata Consultancy Services Limited - System Engineer (29 Months)

Summer Internship Organization : JioSaavn
Summer Internship Project Title : User Categorisation based on listening behaviour

Shubham Darshan Kumar Gupta

Graduation College : Camellia Institute of Technology
Graduation University : Maulana Abul Kalam Azad University of Technology, West Bengal
Graduation Branch : Electrical and Electronics Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 29

- Tech Mahindra - Software Engineer (29 Months)

Summer Internship Organization : Revfin Service Pvt. Ltd.
Summer Internship Project Title : Development and execution of the Rollout plan and Pilot Test for Gamification platform

Nabarati Bhattacharya

Graduation College : Academy of Technology
Graduation University : Maulana Abul Kalam Azad University of Technology, West Bengal
Graduation Branch : Information Technology
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 30

- Tata Consultancy Services Limited - Systems Engineer (30 Months)

Summer Internship Organization : Recruitment Smart Technologies
Summer Internship Project Title : Application of predictive analytics and data visualization to gain insights on client data

Lopes Aaron Anthony Dominic

Graduation College : Don Bosco Institute of Technology, Mumbai
Graduation University : University of Mumbai
Graduation Branch : Electronics and Telecommunication Engineering
Graduation Degree : B.E.
Graduation Year : 2016

Total Work Experience (In Months) : 30

- Tata Consultancy Services Limited - Systems Engineer (30 Months)

Summer Internship Organization : PwC
Summer Internship Project Title : Extracting entities from customer/vendor on-boarding documents using NLP

Student Profile 2019-21

Roshan Kadbe

Graduation College : Technocrats Institute of Technology
Graduation University : Rajiv Gandhi Proudhyogiki Vishwavidyalaya, Bhopal

Graduation Degree : B.E.
Graduation Year : 2016

Total Work Experience (In Months) : 30

- Motif India Infotech, Ahmedabad - Customer Care Representative (15 Months)
- sEtech Global Services - Customer Experience Specialist (15 Month)

Summer Internship Organization : Housewise
Summer Internship Project Title : NRI marketing

Vishnu Prasanth R

Graduation College : Rajalakshmi Engineering College
Graduation University : Anna University
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B.E.
Graduation Year : 2016

Total Work Experience (In Months) : 30

- Larsen & Toubro Infotech Limited - Software Engineer (30 Months)

Summer Internship Organization : RoundGlass Wellbeing Pvt. Ltd.
Summer Internship Project Title : Go To Market Strategy for RoundGlass Reach in the Philippines

Venkateshwaran R

Graduation College : Sastra Deemed University, Thanjavur
Graduation University : Sastra University, Thanjavur
Graduation Branch : Automobile Engineering
Graduation Degree : M.Tech.
Graduation Year : 2015

Total Work Experience (In Months) : 30

- TrustLine Holdings Pvt. Ltd., Chennai - Junior Analyst (30 Months)

Summer Internship Organization : Tata Motors
Summer Internship Project Title : Developing a scorecard to carryout Vendor Assessment to ensure business continuity and sustenance

Shubham Paul

Graduation College : Vellore Institute of Technology
Graduation University : Vellore Institute of Technology
Graduation Branch : Electrical and Electronics Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 31

- Accenture - Business Development Associate (31 Months)

Summer Internship Organization : SabkaMandi (Decimi Technologies Pvt. Ltd.)
Summer Internship Project Title : Designing and implementing of go to market strategy, planning and executing expansion strategies

Laxmi Raje

Graduation College : National Institute of Technology, Kurushetra
Graduation University : National Institute of Technology, Kurushetra
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B.Tech.
Graduation Year : 2015

Total Work Experience (In Months) : 32

- IHMCL - Graduate Engineering Trainee (7 Months)
- BSNL - Junior Manager (17 Months)
- Ansys Limited - Product Validation Engineer (8 Months)

Summer Internship Organization : RAH Infotech
Summer Internship Project Title : Global System Integrator (GSI) account plan for OEM Partner - Radware

Shreekrishnaa J

Graduation College : Sri Sairam Institute of Technology
Graduation University : Anna University
Graduation Branch : Electrical and Electronics Engineering
Graduation Degree : B.E.
Graduation Year : 2016

Total Work Experience (In Months) : 32

- Gautams Offset Designers & Printers - Production Engineer (32 Months)

Summer Internship Organization : Texas Instruments
Summer Internship Project Title : Revenue Analysis of Standard Products in Analog Products

John Kurian

Graduation College : Government Engineering College, Thrissur
Graduation University : University of Calicut
Graduation Branch : Mechanical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 32

- Robert Bosch Engineering and Business Solutions Pvt. Ltd. - Engineer (32 Months)

Summer Internship Organization : Siemens
Summer Internship Project Title :
 Future of urban road mobility and associated infrastructure – Trends, Scenarios and Opportunities

Satish Kumar Shaw

Graduation College : Academy of Technology
Graduation University : Maulana Abul Kalam Azad University of Technology, West Bengal
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 32

- Tata Consultancy Services Limited - System Engineer (32 Months)

Summer Internship Organization : Tiger Analytics
Summer Internship Project Title :
 Recommendations for Improving Second Year Retention in Master's program

Badithaboina Santosh Kumar

Graduation College : Jawaharlal Nehru Technological University, Kakinada
Graduation University : Jawaharlal Nehru Technological University, Kakinada
Graduation Branch : Petroleum Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 32

- Tata Consultancy Services Limited - System Engineer (32 Months)

Summer Internship Organization : Amazon
Summer Internship Project Title :
 Business Continuity Plan Assessment

Anubhab Dutta

Graduation College : Assam Engineering College
Graduation University : Gauhati University
Graduation Branch : Mechanical Engineering
Graduation Degree : B.E.
Graduation Year : 2016

Total Work Experience (In Months) : 33

- Tata Advanced Systems Limited - Senior Executive (33 Months)

Summer Internship Organization : Raam Group
Summer Internship Project Title :
 Preparation of the business plan & go-to-market strategy for the after sales service

Ankit Raju Mirajkar

Graduation College : Pune Institute of Computer Technology
Graduation University : Savitribai Phule Pune University
Graduation Branch : Electronics and Telecommunication Engineering
Graduation Degree : B.E.
Graduation Year : 2016

Total Work Experience (In Months) : 33

- Tata Consultancy Services Limited - Functional Consultant (33 Months)

Summer Internship Organization : Datamatics Global Services
Summer Internship Project Title :
 AI Based speech to text analysis for transcription and development of RPA bot

Rudraprasad Singha Roy

Graduation College : Heritage Institute of Technology, Kolkata
Graduation University : Maulana Abul Kalam Azad University of Technology, West Bengal
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 33

- Tata Consultancy Services Limited - System Engineer (33 Months)

Summer Internship Organization : ARC Document Solutions India Pvt. Ltd.
Summer Internship Project Title :
 Improvement in Digital Product and enhancement of Digital Footprint

Rajat Gupta

Graduation College : National Power Training Institute, Badarpur
Graduation University : Guru Gobind Singh Indraprastha University
Graduation Branch : Power Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 33
• Vedanta Resources Limited - Assistant Manager (33 Months)
Summer Internship Organization : Delhivery
Summer Internship Project Title : Autodispatch and Field Executive Idle time reduction

Mukesh Mallick

Graduation College : Netaji Subhash Engineering College, Kolkata
Graduation University : Maulana Abul Kalam Azad University of Technology, West Bengal
Graduation Branch : Civil Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 33
• Tata Consultancy Services Limited - System Engineer (33 Months)
Summer Internship Organization : TATA Steel
Summer Internship Project Title : Creating an indigenous training module on Python and analyzing the data set

Asif Md Ohidur Rahman

Graduation College : Faculty of Engineering and Technology, New Delhi
Graduation University : Jamia Millia Islamia
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 33
• Larsen & Toubro Limited - Senior Engineer - Automation (33 Months)
Summer Internship Organization : Siemens
Summer Internship Project Title : Infrastructure Life cycle Management using Drones

Divyansh Grover

Graduation College : Northern India Engineering College
Graduation University : Guru Gobind Singh Indraprastha University
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B. Tech
Graduation Year : 2016

Total Work Experience (In Months) : 33
• Aricent Technologies - Network Engineer (33 Months)
Summer Internship Organization : Amazon
Summer Internship Project Title : Enabling Beauty program for IN Ads

Vishal Puttannavar

Graduation College : B.V.B. College of Engineering and Technology
Graduation University : Visvesvaraya Technological University
Graduation Branch : Electrical and Electronics Engineering
Graduation Degree : B.E.
Graduation Year : 2016

Total Work Experience (In Months) : 33
• Accenture - Application Development Analyst (33 Months)
Summer Internship Organization : Kotak Mahindra Bank Limited
Summer Internship Project Title : Identification of Relevant Opportunities by Events Basis Behavior of Consumer Personas

Subhayu Mondal

Graduation College : Indian Institute of Engineering Science & Engineering, Shibpur
Graduation University : Indian Institute of Engineering Science & Technology, Shibpur
Graduation Branch : Civil Engineering
Graduation Degree : B.E.
Graduation Year : 2016

Total Work Experience (In Months) : 34
• M.N. Dastur & Company Pvt. Ltd. - Engineer - Civil (34 Months)
Summer Internship Organization : Raam Group
Summer Internship Project Title : MG Motors Marketing Project

Shrinidhi Raghuveera

Graduation College : R.V. College of Engineering
Graduation University : Visvesvaraya Technological University
Graduation Branch : Chemical Engineering
Graduation Degree : B.E.
Graduation Year : 2014

Total Work Experience (In Months) : 34
 • Akzo Nobel India Limited - Senior Officer - Quality (34 Months)
Summer Internship Organization : Becton Dickinson
Summer Internship Project Title :
 Funnel management, Sales Forecasting and Impact of Covid-19 on customer funding scenarios

Kalaivani K

Graduation College : R.M.K. Engineering College, Chennai
Graduation University : Anna University
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B.E.
Graduation Year : 2016

Total Work Experience (In Months) : 33
 • Johnson Controls - Engineering Associate (22 Months)
 • Sagtaur Universal - BMS Engineer (3 Months)
 • Honeywell Automation India Limited - Engineer (8 Months)
Summer Internship Organization : Benchkart Services Pvt. Ltd.
Summer Internship Project Title :
 Customer Project Management and Partner Assessment

Prathik D

Graduation College : Vellore Institute of Technology, Chennai
Graduation University : Vellore Institute of Technology
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 34
 • Ericsson - RAN Solution SME (34 Months)

Graduation Year : 2016

Total Work Experience (In Months) : 35
 • Tata Motors - Senior Manager (35 Months)
Summer Internship Organization : Cylid Advisors
Summer Internship Project Title :
 Financial Analysis and funding of MSMEs

Ajay Shivaji Patil

Graduation College : Vishwakarma Institute of Technology, Pune
Graduation University : Savitribai Phule Pune University
Graduation Branch : Mechanical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 35
 • 35 Months: Faurecia India Pvt. Ltd. - Design Engineer (35 Months)
Summer Internship Organization : Peerless Financial Product Distribution Limited
Summer Internship Project Title :
 Analysis of Insurance Broker (IB) business model

Dhawal S Thacker

Graduation College : BIT, Sindri
Graduation University : Vinoba Bhave University, Hazaribagh
Graduation Branch : Civil Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 35
 • Larsen & Toubro Limited - Senior Engineer (35 Months)
Summer Internship Organization : Amazon
Summer Internship Project Title :
 Prediction of the outsource rate for various verticals in Amazon CS Network

Roshni Kishan

Graduation College : BMS College of Engineering, Bangalore
Graduation University : Visvesvaraya Technological University
Graduation Branch : Telecommunication Engineering
Graduation Degree : B.E.
Graduation Year : 2015

Total Work Experience (In Months) : 35

- Deloitte Consulting - Business Technology Analyst (35 Months)

Summer Internship Organization : PwC

Summer Internship Project Title :
PwC IT Human Capital LMS Operations

Priyanka KM Singh

Graduation College : Mallabhum Institute of Technology
Graduation University : West Bengal University of Technology
Graduation Branch : Computer Science and Engineering
Graduation Degree : B.Tech.
Graduation Year : 2014

Total Work Experience (In Months) : 35

- IBM - Data Specialist (35 Months)

Summer Internship Organization : TATA Steel

Summer Internship Project Title :
Project execution using agile methodology

Aditi Kanjolia

Graduation College : Indian Institute of Technology, Indore
Graduation University : Indian Institute of Technology, Indore
Graduation Branch : Electrical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 36

- Steelwedge (now part of E2open) - Customer Success Engineer (36 Months)

Summer Internship Organization : Tiger Analytics

Summer Internship Project Title :
Recommendations for Improving Second Year Retention in Master's program

Devendra Singh Bhakuni

Graduation College : National Institute of Technology, Hamirpur
Graduation University : National Institute of Technology, Hamirpur
Graduation Branch : Mechanical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 36

- Ashok Leyland - Deputy Manager (36 Months)

Summer Internship Organization : Satvick Foodtech

Summer Internship Project Title :
Business analysis and customer acquisition for Restaurant Transformation Program

Dhananjay Chavan

Graduation College : Walchand College of Engineering, Sangli
Graduation University : Shivaji University
Graduation Branch : Electrical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 36

- Hindustan Unilever Limited - Production Executive (36 Months)

Summer Internship Organization : 10XTD Digital and Design Solutions

Summer Internship Project Title :
Detailed analysis and framework building for K-12, re-skilling certification segments

Ramasundaram G

Graduation College : R.M.K. Engineering College, Chennai
Graduation University : Anna University
Graduation Branch : Mechanical Engineering
Graduation Degree : B.E.
Graduation Year : 2016

Total Work Experience (In Months) : 36

- Infosys - Senior Systems Engineer (36 Months)

Summer Internship Organization : PwC

Summer Internship Project Title :
Data Visualization and Database Writeback using Qlik Sense

Md Nashat Takmil

Graduation College : Institute of Technical Education and Research, Bhubaneswar
Graduation University : Siksha 'O' Anusandhan University, Bhubaneswar
Graduation Branch : Mechanical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 36
 • TVS Motor Company Limited - Senior Engineer- R&D (36 Months)
Summer Internship Organization : Hafele India Pvt. Ltd.
Summer Internship Project Title :
 Market mapping of influencers and partners for sales in Lighting vertical in Bangalore

Dasari Harish Kumar

Graduation College : Jawaharlal Nehru Technological University, Anantapur
Graduation University : Jawaharlal Nehru Technological University, Anantapur
Graduation Branch : Mechanical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 36
 • Tata Consultancy Services Limited - System Engineer (36 Months)
Summer Internship Organization : Ford Motor Company
Summer Internship Project Title :
 Analyzing eco drive mode usage of different ford vehicle customers in US market

Shubhadeep Gorai

Graduation College : Government College of Engineering & Ceramic Technology
Graduation University : West Bengal University of Technology
Graduation Branch : Ceramic Technology
Graduation Degree : B. Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 36
 • Saint Gobain India Pvt. Ltd. - Team Member - Hot End (36 Months)
Summer Internship Organization : PwC
Summer Internship Project Title :
 Preparation of a Thought Leadership Paper

Kanika Yadav

Graduation College : Ajay Kumar Garg Engineering College, Ghaziabad
Graduation University : Dr. A.P.J. Abdul Kalam Technical University, UP
Graduation Branch : Electronics and Instrumentation
Graduation Degree : B.Tech.
Graduation Year : 2015

Total Work Experience (In Months) : 38
 • Tata Consultancy Services Limited - Systems Engineer (38 Months)
Summer Internship Organization : PwC
Summer Internship Project Title :
 Business Strategies for Indian Banks to leverage Open Banking

N Pradeep Kumar

Graduation College : Rajiv Gandhi University of Knowledge Technologies, Basar
Graduation University : Rajiv Gandhi University of Knowledge Technologies, Basar
Graduation Branch : Computer Science and Engineering
Graduation Degree : B.Tech
Graduation Year : 2015

Total Work Experience (In Months) : 42
 • Infosys - Senior Systems Engineer (42 Months)
Summer Internship Organization : JioSaavn
Summer Internship Project Title :
 User Segmentation based on listening behavior and subsequent targeting of ads

Swati Pandey

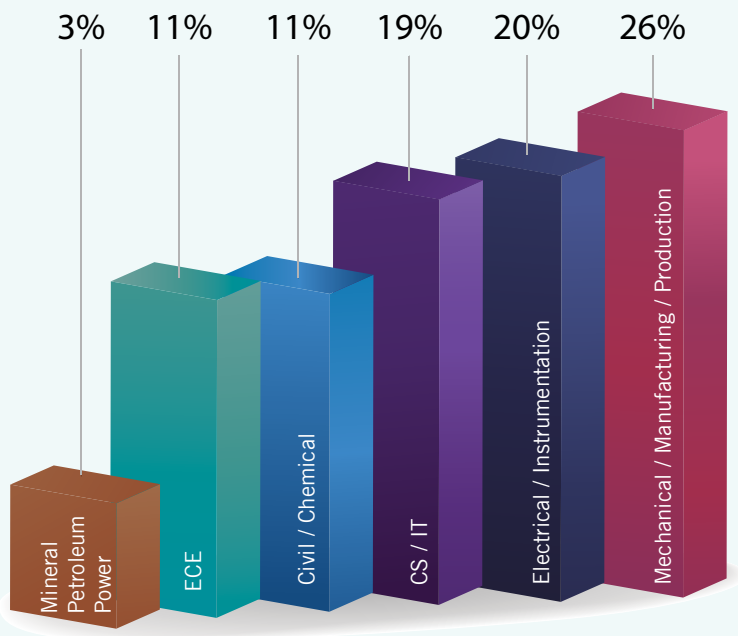

Graduation College : Seacom Engineering College
Graduation University : West Bengal University of Technology
Graduation Branch : Computer Science and Engineering
Graduation Degree : B.Tech.
Graduation Year : 2015

Total Work Experience (In Months) : 46
 • ADP Pvt. Ltd. - Member Technical (46 Months)
Summer Internship Organization : PwC
Summer Internship Project Title :
 Research on MTO alongwith handling operations and finance for Royal Enfield

Aritra Bag

Graduation College : University College of Science and Technology
Graduation University : University of Calcutta
Graduation Branch : Instrumentation Engineering
Graduation Degree : B.Tech.
Graduation Year : 2020

Priya Priyadarshini

Graduation College : University Institute of Chemical Engineering & Technology
Graduation University : Panjab University
Graduation Branch : Chemical Engineering
Graduation Degree : B.E.
Graduation Year : 2020

Jenish Sabarinathan J

Graduation College : Kumaraguru College of Technology
Graduation University : Anna University
Graduation Branch : Mechanical Engineering
Graduation Degree : B.E.
Graduation Year : 2018

Total Work Experience (In Months) : 6

- Kumaraguru Centre for Industrial Research & Innovation - Research Assistant (6 Months)

Adep Shreyas Madhukar

Graduation College : College of Engineering, Pune
Graduation University : Savitribai Phule Pune University
Graduation Branch : Mechanical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2017

Total Work Experience (In Months) : 12

- Radheya Machining Ltd. - Graduate Trainee Engineer (Process Planner) (12 Months)

Rajdeep Biswas

Graduation College : University College of Science and Technology
Graduation University : University of Calcutta
Graduation Branch : Electrical Engineering
Graduation Degree : B.Tech
Graduation Year : 2019

Total Work Experience (In Months) : 12

- Development Consultants Pvt. Ltd. - Engineer Trainee - Electrical (12 Months)

Karthigeyan

Graduation College : Meenakshi Sundararajan Engineering College
Graduation University : Anna University
Graduation Branch : Civil Engineering
Graduation Degree : B.E.
Graduation Year : 2019

Total Work Experience (In Months) : 12

- ZoomRx Healthcare Pvt. Ltd. - Associate (5 Months)
- Unicare Surgicals and Pharmaceuticals - Business Development Associate (7 Months)

Student Profile 2020-22

Date Mayur Narayan

Graduation College : K K Wagh College of Engineering
Graduation University : Savitribai Phule Pune University
Graduation Branch : Mechanical Engineering
Graduation Degree : B.E.
Graduation Year : 2018

Total Work Experience (In Months) : 12

- Mahindra and Mahindra Ltd. - Automotive Division (Graduate Apprenticeship Trainee) (12 Months)

Vijay Karotra

Graduation College : Thakur College of Engineering and Technology
Graduation University : Mumbai University
Graduation Branch : Information Technology
Graduation Degree : B.E.
Graduation Year : 2018

Total Work Experience (In Months) : 12

- Karkhana.io - Marketing Executive (12 Months)

Srijia Rallabhandy

Graduation College : GITAM Institute of Technology
Graduation University : Gandhi Institute of Technology and Management
Graduation Branch : Computer Science & Engineering
Graduation Degree : B.Tech.
Graduation Year : 2019

Total Work Experience (In Months) : 15

- CIRRUS NEXUS - Product Manager (15 Months)

Nandini Bhattacharyya

Graduation College : University of Engineering & Management
Graduation University : University of Engineering & Management, Kolkata
Graduation Branch : Electrical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2019

Total Work Experience (In Months) : 15

- Tata Consultancy Services Ltd. - Assistant Systems Engineer (15 Months)

Arka Pal

Graduation College : Academy of Technology
Graduation University : Maulana Abul Kalam Azad University of Technology, West Bengal
Graduation Branch : Mechanical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 15

- Byju's - Think & Learn Pvt. Ltd. - Business Development Associate(B2C) (15 Months)

Sonu Yadav

Graduation College : Fr. Conceicao Rodrigues College of Engineering
Graduation University : Mumbai University
Graduation Branch : Information Technology
Graduation Degree : B.E.
Graduation Year : 2019

Total Work Experience (In Months) : 15

- Quantiphi Analytics Solution Private Limited - Business Analyst (15 Months)

Melvin Mathew Shaji

Graduation College : University of Petroleum and Energy Studies
Graduation University : University of Petroleum and Energy Studies
Graduation Branch : Petroleum Engineering
Graduation Degree : B.Tech.
Graduation Year : 2018

Total Work Experience (In Months) : 16
 • CGI Inc. - Associate Business Analyst (16 Months)

Mithilesh Yadav Guntuboyina

Graduation College : GITAM Institute of Technology
Graduation University : Gandhi Institute of Technology and Management
Graduation Branch : Mechanical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2017

Total Work Experience (In Months) : 17
 • Accenture Solutions Pvt. Ltd. - Application Development Associated (17 Months)

Palaparthi Satwika

Graduation College : JNTUH College of Engineering, Hyderabad
Graduation University : Jawaharlal Nehru Technological University, Hyderabad
Graduation Branch : Civil Engineering
Graduation Degree : B.Tech.
Graduation Year : 2016

Total Work Experience (In Months) : 18
 • Accenture Solutions Pvt. Ltd. - Test Engineering Analyst (18 Months)

Dhiyeri P Joy

Graduation College : Federal Institute of Science And Technology
Graduation University : Mahatma Gandhi University, Kottayam
Graduation Branch : Mechanical Engineering
Graduation Degree : B.Tech
Graduation Year : 2018

Total Work Experience (In Months) : 18
 • IBS Software Pvt. Ltd. - Software Engineer (18 Months)

Gourang Kalra

Graduation College : Maharaja Agrasen Institute of Technology
Graduation University : Guru Gobind Singh Indraprastha University
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B.Tech.
Graduation Year : 2018

Total Work Experience (In Months) : 18
 • Accenture Solutions Pvt. Ltd. - Application Development Associate. (18 Months)

Ritarshi Chakraborty

Graduation College : Institute of Engineering and Management
Graduation University : Maulana Abul Kalam Azad University of Technology, West Bengal
Graduation Branch : Electrical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2017

Total Work Experience (In Months) : 19
 • Cognizant Technology Solutions Pvt. Ltd. - Programmer Analyst (19 Months)

Ayush Raina

Graduation College : National Institute of Technology, Srinagar
Graduation University : National Institute of Technology, Srinagar
Graduation Branch : Computer Science & Engineering
Graduation Degree : B.Tech.
Graduation Year : 2017

Total Work Experience (In Months) : 20
• Publicis Sapient - Associate Technology L1 (20 Months)

Akash Banerjee

Graduation College : Indian Institute of Engineering Science and Technology, Shibpur
Graduation University : Indian Institute of Engineering Science and Technology, Shibpur
Graduation Branch : Electrical Engineering
Graduation Degree : B.Tech.
Graduation Year : 2018

Total Work Experience (In Months) : 20
• BALCO, Vedanta Resources - Assistant Manager (20 Months)

Nandagopal Gopalakrishnan

Graduation College : College of Engineering, Trivandrum
Graduation University : University of Kerala
Graduation Branch : Civil Engineering
Graduation Degree : B.Tech.
Graduation Year : 2018

Total Work Experience (In Months) : 20
• Mu Sigma Business Solutions Pvt. Ltd. - Trainee Decision Scientist (20 Months)

Vimal Kumar Rai

Graduation College : Kalinga Institute of Industrial Technology
Graduation University : Kalinga Institute of Industrial Technology
Graduation Branch : Mechanical Engineering
Graduation Degree : B.Tech
Graduation Year : 2017

Total Work Experience (In Months) : 20
• Accenture Solutions Pvt. Ltd. - Application Development Associate (20 Months)

Aravinth S

Graduation College : Sri Sivasubramaniya Nadar College of Engineering
Graduation University : Anna University
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B.E.
Graduation Year : 2017

Total Work Experience (In Months) : 20
• Cognizant Technology Solutions Pvt. Ltd. - Programmer Analyst (20 Months)

Rajasekar K

Graduation College : Central Institute of Plastics Engineering and Technology
Graduation University : Anna University
Graduation Branch : Manufacturing Engineering
Graduation Degree : B.E.
Graduation Year : 2018

Total Work Experience (In Months) : 21
• TVS-Sundaram Clayton Ltd. - Senior Executive (21 Months)

Aditi

Graduation College : University Institute of Engineering and Technology
Graduation University : Panjab University
Graduation Branch : Computer Science & Engineering
Graduation Degree : B.E.
Graduation Year : 2017

Total Work Experience (In Months) : 21
 • Unisys India Pvt. Ltd. - Associate Systems Engineer (21 Months)

Sanjana Srivastava

Graduation College : Maharaja Agrasen Institute of Technology
Graduation University : Guru Gobind Singh Indraprastha University
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B.Tech.
Graduation Year : 2018

Total Work Experience (In Months) : 21
 • Accenture Solutions Pvt. Ltd. - Application Development Associate (3 Months)
 • ZS Associates - Decision Analytics Associate (18 Months)

Mounesh Badiger

Graduation College : Indian Institute of Technology, Kharagpur
Graduation University : Indian Institute of Technology, Kharagpur
Graduation Branch : Civil Engineering
Graduation Degree : B.Tech.
Graduation Year : 2018

Total Work Experience (In Months) : 22
 • The Talikoti Sahakari Bank Niyamit - Junior Assistant - Trainee (22 Months)

Vidisha Prasad

Graduation College : Manipal Institute of Technology
Graduation University : Manipal Academy of Higher Education (MAHE)
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B.Tech.
Graduation Year : 2018

Total Work Experience (In Months) : 22
 • Wipro Ltd. - Project Engineer (22 Months)

Palak Taurani

Graduation College : Lakshmi Narain College Of Technology
Graduation University : Rajiv Gandhi Proudyogiki Vishwavidyalaya (R.G.P.V) Bhopal
Graduation Branch : Electronics and Communication Engineering
Graduation Degree : B.E.
Graduation Year : 2017

Internship Diaries

I had one of the best learning experiences as my project was a blend of analytics and strategy. Through this project, I was able to learn how to effectively leverage publicly available data to make data-driven decisions.

Being able to collect the right data is one thing, but making it extremely useful requires a different skillset and mindset. I learned how every business is different and should be treated in a unique way. I gleaned valuable insights on what the numbers meant for my specific project and what action should be taken to improve the most important metrics of the business.

Monica Ghosh

Accenture Digital, Data Science Analyst

Despite the unprecedented situation, my internship experience with Amazon was surprisingly seamless and immensely enriching. I learned to design a sustainable model for the feedback collection-analysis-close looping process. The takeaways are both behavioural and technical. I have found myself “thinking backwards” in various scenarios which is one of the most effective problem-solving techniques.

Divyansh Grover

Amazon, Account Management Intern

The work culture at BD is a collective embodiment of Discipline, Respect, Empathy, Perseverance and Teamwork. Having absorbed these values, I feel much more capable in handling situations which are far away from my comfort zone.

I was able to catch a glimpse of the prominent and subtle intricacies of the health care industry. I also understood the importance of Applied Analytics & Funnel Management for Sales Operations, leading to a much smoother and streamlined sales cycle.

Shrinidhi Raghuveera

Becton Dickinson, Marketing Research Intern

Working with the statistical department of RBI enabled me to work on real-time data of different countries which helped to validate theoretical results with quantitative statistics. My work revolved around the analysis of risks posed by extreme events in highly volatile emerging markets. I also got to learn the basics of statistical modelling, risk management models, and their real-time applications.

Nikhil Gupta

Reserve Bank of India,
Financial Analytics Intern

It was my first experience at a work from home setup and PwC did everything to make us comfortable in our own space and enrich our learning during my tenure there. I had a lot of support from my team who helped me out in every manner possible to understand the nuances of my project and deliver on the requisites.

These two months had been enriching in terms of the learning experience and it has transformed me by instilling within me a structured thought process and problem-solving approach.

Shubhadeep Gorai

PwC India, Advisory -
Government and Public Sector Consulting

Fortunate to have been associated with one of the leading conglomerates of the great Indian industry, my internship project revolved around creating a roadmap for the growth of Mia inside Tanishq. I started off by understanding the enablers and barriers for Mia inside Tanishq and came up with several initiatives that can be implemented to increase the existing customer base. In the two months of my internship, I learned about the intricate world of retail and gained a deeper understanding and respect for the complicated processes that are involved in the journey from the factory to the customer.

Nirmal Hegde

Titan Company Ltd., Management Intern

My internship at Texas Instruments enriched me not only with in-depth knowledge of the Sales and Application domain but also provided with the opportunity to explore varied customers by analyzing sales figures, losses, and growth opportunities of Texas Instruments products. The exposure provided to me has boosted by confidence and also efficiently skilled me in relevant concepts about the industry.

ShreeKrishnaa

Texas Instruments, Technical Sales Engineer

I had a great experience working with Wipro, wherein I learned about Project Management, Client Management and Teamwork. Through this Program, I was able to grasp the thought process of a Transition Manager by asking relevant questions to the clients, identifying the inputs required, making valid assumptions, and using problem-solving skills to prepare a solution.

Aayush Srivastava

Wipro, Management Intern Pre-Sales

Other Associations

Clubs and Committees

Alumni Committee

The Alumni committee works in close association with its diverse Alumni base whilst going an extra mile to foster an enriching and mutually beneficial relationship with the institute. Through its various alumni engagement programs, it makes a headway to provide impetus to the budding managers at VGSOM and cultivate an ever-growing alliance between the alumni and their Alma Mater to build brand VGSOM. The various events and publications strive to provide a platform for interaction between the current batch and the Alumni. The initiatives include:

Connect: The annual city meet provides a platform to re-CONNECT wherein our Alumni assemble to share their experiences and rejuvenate memories, further strengthening their relationship.

In-Sync: The annual magazine of VGSOM, which contains highlights of the whole year is presented to the Alumni base having a viewership of 2000+ whilst keeping them updated about various events.

VD-KD: The video feature series of VGSOM that showcases various events as a series of videos along with the monthly magazine - VGSOM diaries.

Reminiscence: This is a trip down the memory lane to reminisce those golden old days. The Alumni get to visit the campus and meet the faculties and staff plunging into the abyss of nostalgia. This further culminates with a formal panel discussion in presence of the VGSOM fraternity.

Mentorship Programme: The committee assigns two Alumni mentors to every 1st-year student thereby aiding them to learn from the diverse experience and industry expertise of our eminent Alumni and further strengthening the bond.

Admission Committee

The Admission Committee is the face of the Vinod Gupta School of Management, IIT Kharagpur, and the first Point-of-Contact for aspirants eager to be a part of the institute's flagship MBA programme.

This student body coordinates with the Admissions office and ensures the seamless execution of the admission process for the prospective candidates. Through a dedicated mentorship programme and WAT-PI kits, the Committee strives to ensure that each candidate qualifying for PI is equipped to ace the selection process. This Committee addresses all of the candidates' queries swiftly and effectively, guiding them throughout the process and helping them make an informed decision. A first-hand virtual tour of the entire campus as well as a glimpse of life for the next two years are given through its annual admission video and the brochure.

Once selected, the incoming batch is groomed by the Admission Committee through tasks handpicked in collaboration with the various clubs and committees as a part of the Pre-Induction Activity that helps them hone their business acumen. This makes the candidates ready for the two-year programme and the future thereafter.

E-Cell

Entrepreneurship Cell (E-Cell) of VGSoM, IIT Kharagpur is a student-run body that aims to provide a platform for the student fraternity to cultivate their entrepreneurial spirit by providing exposure to the start-up ecosystem. E-Cell serves as a facilitator to inspire students by providing them mentoring and incubation support to pursue their ideas into successful businesses.

Offering winter internship opportunities and Live Projects with start-ups is another significant part of E-Cell's function. Learning Business Outside Classrooms (LBOC) is yet another unique program facilitated by E-Cell for first-year students. All of these aim to provide a real-time learning experience to students while working in close consultation with CXOs of leading start-ups.

Besides, E-Cell conducts activities throughout the year to bring out the entrepreneurial flair in students, such as:

- **Srijan:** Our National Level B-Plan flagship competition aims to foster the spirit of entrepreneurship among B-school students across the country.

- **Vichaar:** An online case study event to test student's abilities to address real-life business issues, which includes an online quiz as its screening round.
- **Pink Cabs:** To enable local female cab drivers to provide commercial car services, E-Cell successfully facilitated the collaboration between a cab service network, local district administration, and other stakeholders.
- **#SochaHai:** The event aims to reinvigorate innovative thinking among students to celebrate World Entrepreneurs Day by posting unique ideas on social-media with the theme of 'Sochahai...'
- **Lovator Pitch:** A classic pitching competition with a twist. The participants present a proposal to their loved ones using innovative concepts bundled in entrepreneurial jargon.

ScOpe:

Supply Chain and Operations Club of VGSoM, IIT Kharagpur believes in "Knowledge is power, Information is liberating and it grows by sharing". ScOpe aims to mould the minds and develop interest among students towards Operations and Supply Chain Management. It provides a platform to interact with supply chain enthusiasts and acquaint them with the essential industry skills by organising various events and certification programs.

Finterest

Finterest, the finance club of VGSoM, IIT Kharagpur, is a student-run initiative guided by Prof. Parama Barai. Our mission is to empower and support the students in finance domain by boosting their skills and knowledge in line with current industry trends. The club involves itself in regular meetings and presentations. It provides a forum for exchanging ideas in the present and emerging finance areas like corporate finance, capital markets, investment banking, and other related areas.

Consulting Club

The Consulting Club of VGSOM, IIT Kharagpur, is a student-driven club that seeks to provide a platform for learning and understanding the vast consulting and analytics domain environment.

Via true insight, we assist students with capacity development, business networking, and gaining insight into the corporate environment. Through case study, guesstimates, excel competitions, and other activities carried out all year long, we fuel the curiosity of students in the area of consultancy and analytics.

We also organize information sharing sessions on how to perform EDA, descriptive and predictive analytics, and provide platform to perform several EDA techniques that helps to derive insights on data through descriptive analytics and visualization techniques and finally model an algorithm through which future output could be predicted.

Some of the flagship events conducted were-

- **10:TEN** – An event to help the batch test their talents in statistics, consultancy, problem-solving analytics, and competence.

- **Chanakya-Niti** – A political policy consulting event with a face-off challenge and an impromptu case study on a real political situation.
- **Sumantran: Hunt for the Star Consultant** – During Purvodaya, consultancy enthusiasts from all over the country are provided with a forum to find the right solution for a real business problem from the industry.

Drishtee Capital

Founded and run by trading and finance enthusiasts, it is an open-ended student-run equity fund focusing on multi-faceted investment opportunities. It provides the platform for students to learn and test their financial aptitude through stock market trading with real money. The club also makes conscious efforts to share knowledge of investments, trading, portfolio management, fundamental and technical analysis through knowledge sharing sessions and online posts. Apart from this it also conducts various stock market and trading related events such as Synergy, Street Warriors and TradeShastra to name a few.

MAD Club

The Marketing and Advertising Club (MAD) of VGSoM focuses on keeping the students updated on the latest trends in the domain of marketing and sales.

We thrive to upgrade the marketing skills of budding managers by enriching them with the latest approaches in the marketing domain by hosting multiple events like Leader's challenge, Thinkvent, ADMAD, Venalicium, newsletters, and various case study competitions. Venalicium - a pan IIT business quiz event, Tagmad-an online tagline event to promote creativity, Kotlergiri-a fun-filled event are few among the multiple events organized by MAD club. We conduct multiple workshops and certification programs by associating with organisations such as Forevision, to provide students with an understanding of market research and market analysis. We engage with marketing enthusiasts across the country through social media handles by conducting quizzes and developing content on engaging advertisements.

MAD club publishes its annual magazine, 'Madazine' which captures insights of leaders from the leading companies in the marketing and sales domain. It also contains highlights of the interviews from various industry stalwarts, articles on the methodologies used in marketing and its management. MAD club hosts Marquee, a webinar series which gives industrial exposure to the students by providing them with a platform for interactions with industry leaders from the marketing domain.

Quiz Club

Since its inception in 2009, the Quiz Club has provided a platform for knowledge-sharing among VGSoM students and other inquisitive minds across B-schools. The club was formed with the intent of connecting quizzing enthusiasts and this vision has translated into an effective peer learning network.

Quiz Club conducts four major events annually apart from other year-round engagement activities. Quizzing League is conducted on social media platforms to promote general knowledge awareness among the students. Quizzly Fizzy, an exciting quiz themed on popular topics, Qriosity a pre-induction Quiz for incoming students are some of the offerings of the club. Quizzical, an online national level event with nearly 1500 registrations in 2019, saw an overwhelming response from the best quizzing minds of the country.

Quizzard is the flagship event of the Quiz Club, comprising an online preliminary round followed by an on-stage finale, is held during the annual fest Purvodaya. Past versions saw participation figures of over 1000 with premier schools like IIM-C, XLRI, FMS, MDI making it to the finals.

Quiz Club also takes the responsibility of spreading awareness of current events, trivia, and concepts across a spectrum of domains. This is done through the medium of Daily Digest, which is a mailer with facts and trivia circulated daily and The Whizz Facts, a social media post series taking on current events and demystifying complex issues. An innovative venture was the Janta Curfew Quiz, planned over a day to engage audiences to come out of the inertia of lockdown.

Corporate and Media Interaction Cell

Corporate and Media Interaction Cell

The Corporate and Media Interaction Cell of the Vinod Gupta School of Management, IIT Kharagpur serves as a link for VGSOM with the corporate world. The central focus of the CMI committee is corporate engagements and interactions to maintain the industry-academia synergy. In the pre-pandemic era - the HR conclave, the Leadership Summits and Leadership talk series - "Vaarta" with its enviable industry veterans and business stalwarts have set the stage for a unique blend of corporate and academia interactions. The online adaptation of the Leadership talk series - "Vaakya" this year encapsulates the experiences and enriching discussions of eminent industry leaders giving the student fraternity a glimpse of the

corporate world. The HR Conclave saw its online adaptation - "Vaachna" on 3rd of October, 2020 in addition to "Vishleshan" - Management E-conclave of VGSOM held on 16th of August 2020. The Corporate and Media Interaction Cell also holds the responsibility for the digital presence of VGSOM over a plethora of online platforms along with publication of the institute's national rankings and accomplishments.

Saamanjasya

“It is not enough to be compassionate. You must act.”

At Saamanjasya, the CSR club of Vinod Gupta School of Management, students endeavor to contribute to society by driving initiatives in the field of social welfare. The club's vision is to bring together Corporates, NGOs, and academicians on a common platform and create harmony between all stakeholders of the society.

The club organizes an annual T-shirt sales drive and uses the funds raised for empowering underprivileged children, adding joy to their lives by celebrating each Diwali together. Saamanjasya associated with Indigo Paints for an initiative to paint the Hijli Primary School inside the IIT Kharagpur campus. In association with SBI Youth for India, the club conducted 'Parishram: Social Empowerment Case Study Challenge' as part of Purvodaya 2020, providing students a unique opportunity to solve real-life CSR problems. The club is starting a series of social media posts highlighting impactful CSR activities by organizations and individuals.

In its constant effort to help those in need, Saamanjasya associated with IIM Calcutta and other prominent B-schools in a fundraising drive for the Amphan cyclone and also joined forces with IIM Shillong and other top-10 B-schools towards a fundraiser for the Assam floods.

Aligning activities with the virtual medium, Saamanjasya organised Natyashala, an online adaptation of the Nukkad Natak, where students creatively addressed pressing social issues and helped increase awareness. With events like a blood donation drive planned once campus activities resume, the club would continue in its endeavor of giving back to society.

Flash

Flash, Photography club of VGSOM, provides a stellar platform for the budding as well as the seasoned photographers and videographers to collaborate and sharpen their skills behind the lenses. We also make sure that budding talents are nurtured under the guidance of experienced photographers. Flash boasts an in-house video production unit for the interested students to take advantage from. Students also get to cater a much wider range of audience and learn other aspects of Management.

We provide media coverage to all the major events held at VGSOM, like Purvodaya, Spring Fest, HR Conclave, Illumination, Futsal, Rackets, to name a few. We are the Eyes of VGSOM.

Sports Committee

Olympia, the sports committee at VGSoM, IIT Kharagpur is a student community club dedicated to the development of sports. We provide opportunities to students of VGSoM to play, practice and participate in various intra and inter B-school activities. We organise different tournaments ranging from indoor to outdoor sports which require not only physical fitness but also mental fortitude and various other interpersonal skills. The flagship sporting events are Racquets, Futsal, VPL (VGSoM Cricket Premier League) and Vinculum.

Spring Fest

Spring Fest is the annual social and cultural festival of IIT Kharagpur, one of the field's preeminent institutions. It provides a competitive stage for rising talents in various areas such as fashion, snaps shooting, literature, fine arts, music, dance, theatre, quizzing, and debate.

Spring Fest marks an avenue towards an escape from the rigorous routine life scholars with cavort and immerse themselves in a fun and merriment event lodged with beguiling performances from professionals across India. Spring Fest is not just about celebration but also directing the call of being a socially responsible citizen. Every year there is an underlying social theme, and events are customized to adhere to that.

Staying true to its motto, Spring Fest incorporates the aspirations and enthusiasm of students across the nation. Organizing more than 130 events and providing an opportunity for students to exhibit their talent and calibre, the event has consolidated its position as the premier inter-collegiate fest. Spring Fest is not just about entertainment but is often cited as one of the finest examples of the

management skills of the student committee, accommodating a footfall of over 80,000 in its most recent edition. The aggressive competitions, uninterrupted entertainment, and the most anticipated star nights are what give Spring Fest its magnificence.

Purvodaya Core Committee

Purvodaya, meaning the Rise of the East is a confluence of corporates, young aspiring leaders and scholars to facilitate the exchange of ideas and tackle problems in the sphere of management. It is counted amongst the top business fests in India, due to the level of competition brought about by the country's best minds from premier schools across IIMs, IITs and other crème de la crème institutes of India.

Purvodaya '20 depicted the need of out of the box thinking and looking beyond the conventional mould to tap into the realm of the unorthodox. The chapter fully lived up to its theme of "Think the Unthinkable". Organizing the event is a challenge of the highest order, and the students usually pull it off with an astounding degree of success.

The fest hosted distinguished guests from the industry, including Mr C.K. Tiwaari, Executive Director, IOCL, Mr Pranav Bhanage, CEO Petronas India and Ms Sangeetha Bahl, a noted Everester and an inspirational figure, setting the tone for the event.

Purvodaya '20, sponsored by IOCL, saw industry participation through sponsorships, guest interaction, other opportunities and had top organizations like NALCO, SBI, OMCL, Wiley as corporate partners. The three-day extravaganza had a potpourri of events unwinding the business spirit of the participants and a host of CSR activities to raise awareness on critical issues like cancer awareness, water conservation and de-forestation.

Purvodaya '20 ended with a triumphant note, challenging conventions, establishing itself as one of the most coveted business fests in the country.

Alumni Speak

I would define the 2 years spent at VGSOM, IIT Kharagpur as one of the most beautiful phases of my life. In hindsight, I can safely say that had I not spent time there, I wouldn't have reached here at all. What the institute taught me was beyond the textbook. It taught me how to be conscientious in my approach & continuously hone it as I embarked on my career & life. I learned humility as being surrounded by corporate professionals & Armed Forces veterans broadened my horizon and outlook towards life. And the most important lesson was Teamwork as I believe you need a certain amount of maturity to understand how to operate in a team. These important life lessons are the values that I hold close to myself and VGSOM, IIT Kharagpur certainly made sure that I got this in abundance. My advice to the students will be to utilize every given opportunity to broaden their horizons & create scenarios to continuously learn. They are at one of the best institutes in India and it is their time now to make us all feel proud.

-Akshat Mohindra

(2007-2009),

Global Account Manager, Cisco

VGSOM, IIT Kharagpur has been one of the best decisions I ever took in my life, not just on the professional front but also on a personal level - there I found some of my best friends for life. And why would that not happen – IIT Kharagpur campus is nothing less than a city and has everything that one needs to cheer life with!

Studying in VGSOM IIT Kharagpur helped me build my business acumen and transform myself from an able engineer to an able business leader. The methodology of teaching was through case studies which helped me learn how to demystify the real corporate problems and solve them! I got a chance to choose the clubs of my choice, work with the smartest people and enhance my teamwork and leadership skills. One of the best takeaways has been the network of IIT Kharagpur Alumni (across all workstreams) I have become a part of – and that is priceless! This not only helped me professionally but got me a chance to be a part of their angel investing networks! For me the journey has begun... when are you starting your journey with IIT Kharagpur – the first and most premium IIT in the country!

-Aditya Zutshi

(2009-11),

Senior Category Manager, Amazon
(Beauty & Personal Care)

When faced with a problem, I was attuned to pursuing the solution through a technical angle by virtue of being an engineer. Pursuing MBA from VGSOM enabled me to gain a wider understanding of Business processes (HR, Finance, Supply Chain, Marketing etc.) and to tackle business issues by taking a wholistic approach with various options to consider like cost, benefit, personnel etc. Also, doing an MBA from VGSOM, helped me to leverage the faculty and facilities of world-class Operations and Information Systems Management of IIT KGP. It led me to transition my career to ERP consulting at PwC and pursue my passion for business transformation. Owing to the dynamic and continuously updated pedagogy, I was able to improve my personality, develop confidence and learn to communicate well. As I look back at my career journey of the last 25 years, I have been able to utilize managerial/leadership skills and strategic thinking gained during MBA, to wide varieties of industries like consulting (PwC & IBM), software (PeopleSoft), banking (UBS & Citibank), consumer products (P&G) and retail (Limited Brands). The business knowledge, IT acumen and network opportunity also helped me to start, manage and grow my own IT consulting company in the US.

-Mr. Atul Sharma

(1997-1999),

Director, P&G

I walked into the doors of VGSOM expecting to get an MBA degree and a decent placement. But now that I look back, it not just provided me with these two things instead paved a way for a much longer and successful career. I gained a lot from VGSOM, including genuine confidence, self-respect, a boost to my career and a brand name that will stay with me forever.

Being part of the IT industry in multiple pre-sales and sales roles, I can confidently say that the role your institute has in building your identity, your personality and your conviction is really important and VGSOM does an extremely good job at it. It gears you up for taking up bigger and bolder challenges at work thereby making you a much stronger professional.

-Swati Garg

(2007-2009),

Business Development Lead
for Retail Industry,
