SUMMER PLACEMENT

REPORT 2022-2024

VINOD GUPTA SCHOOL OF MANAGEMENT
INDIAN INSTITUTE OF TECHNOLOGY KHARAGPUR

Chairperson's Note

Since its establishment in 1993, VGSOM, IIT Kharagpur has remained committed to its mission of becoming a center of excellence in management education and research. Its objective remains steadfast in cultivating exceptional managers who are well-rounded professionals capable of leading enterprises worldwide. The Institute has consistently provided brilliant and aspiring managers with an education of the highest caliber and has been constantly recognized among the world's leading management institutes. We are now placed 12th by the famous NIRF ranking by MHRD, 2022 and 6th by the QS Global University Rankings in Business and Management Studies, 2023.

We are pleased to announce the conclusion of Summer Placements for the MBA class of 2022–2024. This year's placement season has been spectacular, with prominent new recruiters from various industry verticals, including Finance, IT/ITES, Operations,

Supply Chain, Sales & Marketing, Analytics and Consulting, participating and forming an alliance with the Institute.

On behalf of the whole student body of VGSOM, IIT Kharagpur, I would like to express our gratitude and appreciation to our recruiters for their continuing support and confidence in our Institute. Also, we would like to thank our new recruiters who synchronized their hiring cycle with our placement plan and chose to invest in the caliber of our students. We extend our most profound appreciation to our alumni for their continuous support, which has lifted their alma mater to greater heights each year. We also appreciate the Student Placement Committee's significant contribution to making the placement processes efficient, transparent and effective.

With this, we plan to continue our history year after year by forming solid alliances and establishing a symbiotic relationship with our recruiters and partners, expanding the reputation of VGSOM and IIT Kharagpur.

Co-Chairperson's Note

With the end of Summer Placements for the Batch of 2022–2024, VGSOM at IIT Kharagpur yet again proved its capabilities in meeting the diverse talent needs of the business world. VGSOM is committed to imparting knowledge and skill set that keeps pace with the industry's ever-evolving expectations and standards, allowing our students to accept and prosper in all leadership roles in their respective industries, whether in academics or case competitions.

We are thankful to our established network of recruiters for their continued support including many new companies that have placed their faith in our students by providing them with exciting opportunities. The same has enabled us to significantly increase the average compensation, the highest stipend and

the variety of opportunities available to our students.

This remarkable accomplishment would not have been possible without the unwavering support of the VGSOM's illustrious Alumni, without whose unshakable confidence and backing this feat would not have been possible.

VGSOM places particular emphasis on educating students to become distinguished professionals with a high level of integrity, thereby preparing them to become leaders of the highest caliber. It fosters excellence and perfection in all aspects of life and sows the seeds of creativity in young brains.
