Eligibility Criteria

Executives applying for this programme must have at least three years of experience (as on 31st July 2024) and a 1st class bachelor's degree in Engineering / Technology or a 1st class Master's degree in Science, Economics or Commerce (with Mathematics or Statistics at the Bachelor's degree level), with the following criteria:

- » GE/NC-OBC/EWS: Minimum of 60% marks (or CGPA of 6.5 on a 10 point scale) in the qualifying degree.
- » SC/ST/PwD: Minimum of 55% marks (or CGPA of 6.0 on a 10 point scale) in the qualifying degree.
- » For both the above cases, if the CGPA is on a different scale than 10.0 the eligibility of the candidates will be calculated corresponding to the equivalence stated below*.
- » Admission of reserved category candidates will be as per Government of India rules.
- » The CGPA will not be converted into percentage marks if the degree-awarding Institute provides marks in CGPA system. Their admission will be based on the CGPA awarded in the transcript.

*Note: For the qualifying/bachelor's degree of the applicant, the percentage of marks awarded by University/Institution/College, as applicable, will be treated as final. Candidates having CGPA are not allowed to make conversion to percentages. Even use of university/institute conversion formula is not permitted as IIT Kharagpur has its own formula for the same.

Cumulative grade point average (CGPA) performance will be converted into 'marks percentage' as shown below:

Marks Percentage = $60 + (40/3.5) \times [(CGPA \text{ obtained} / \text{Total CGPA}) \times 10 - 6.5]$

If the University/Institution/College does not award the percentage of marks or cumulative grade point average (CGPA), the percentage of marks will be calculated based on the marks obtained in all the subjects listed in the marksheets submitted by the applicant.

“EMBA course at VGSOM is a fantastic course for professionals. It is a well structured program with a good balance of Marketing, Finance, HR, Economics, IT, Analytics and practical insights on implementing this knowledge in work life to improve leadership skills. The faculty at VGSOM are extremely knowledgeable. This program not only improved my analytical skills but also helped me grow my professional connections. Returning to school brought me not just knowledge but an incredible environment filled with fantastic faculty and relentlessly supportive batchmates. The Course material and books are very relevant to current trend. The campus immersion days were most memorable. It was a very well - planned comfortable stay at the beautiful campus at VGSOM and great food. The interactions with fellow students from a wide variety of industries and experience added much value and created a good network. The entire program is well designed and adds great value to my long-term career aspirations.”

“EMBA course is very well structured, amazing because it takes you through various perspectives of business ,be it Leadership ,HR, Finance or , Manufacturing, or SCM. I had a wonderful experience working with so many competent and highly qualified Professors, who are always approachable and ready to help you, guide you at each and every stage of the journey. Being a working professional, this course well suited me ,because it is conducted on weekends. The programme had a very positive impact on my professional development and career enhancement. I have gained a new perspective in the challenges that business face. No doubt this programme will bring a return on investment .”

“My journey through the EMBA program at Vinod Gupta School of Management has been an experience of discovering a diverse range of approaches to development through a new pair of eyes. IIT network has been invaluable to my career and provided me with resources, mentoring and the right kind of support.”

Alumni Speaks

Calling myself an IIT Kharagpur VGSOM alumnus makes me very proud. Though juggling an Executive MBA with a full-time job was no easy task, the VGSOM experience was well worth the work. It was transforming as well as instructive, the combination of demanding academics adapted to practical business solutions. More than simply teachers, the faculty members were industry contacts and mentors who sincerely wanted us to succeed. With the help of this training, I have not only grown professionally but also had previously unanticipated viewpoint expansion. The avenues VGSOM has opened for me are much appreciated.
